ABOUT PUBLICATION

The textile and readymade garment market is a fast-growing market in the Organisation of Islamic Cooperation (OIC) economy. The industry activities are mostly concentrated in China, India and other developing and OIC countries such as Bangladesh, Indonesia, Pakistan and Vietnam. Additionally, in the recent years, several designers and ecommerce platforms have gained popularity in the readymade garment segment in OIC countries. These designers have impetus not only in countries with high Muslim population but also in other parts of the world, such as Singapore and the UK, where Muslims are a minority.
